Welcome Screen

Are you ready? Ready for the explosion of new thrills coming your way next issue? Yes, two major new series debut in STC 7. They are, of course, STREETS OF RAGE and KID CHAMELEON (as sneak previewed in STC 1).

STREETS OF RAGE is based on the chart-topping action games of the same name and stars Axel, Blaze and Max (no, we haven't forgotten about 'Skates', he'll be along later). As fans of the games know, this trio are out to bring justice to the streets of a corrupt and evil city. But how did they actually begin their mission? STC brings you the full background story, starting next issue.

In the real world he's a kid called Casey with all the problems of an average teenager. But inside the virtual reality world of Wild Side he is KID CHAMELEON - a thousand heroes in one! Watch as he becomes samurai master Red Stealth, or the uncontrollable Berserker, and many more. KID CHAMELEON is based on the classic Mega Drive game and promises to be the wildest ride yet in STC.

Sadly, this issue we bid farewell to SONIC and LEGEND OF THE GOLDEN AXE - but not for long. These two series have been so popular with you Boomers that, even as you read this, new stories are in the works. Watch for the first of them (which will it be?) in STC 11.

One last thing - make sure you place a regular order for Sonic The Comic. STC 7 is bound to be a sell out!

Call the Sega Busline

The Sega Bus continues to tour the country giving Sonic Boomers a chance to try out the latest Sega hardware and software, as well as looking for top gamers to take part in The Sega Challenge.

As regular readers know, STC tries to tell you, in advance, where the Sega Bus will be calling next. Due to many last-minute changes in its schedule it has not always been possible to give full details of where the Sega Bus will be - until now.

A brand-new phone line has been set up which will give details of Sega Bus venues for the next 10 days. All you have to do is call the following number:

0891 700505

Calls to this number are charged at 36p per minute cheap rate and 48p per minute at all other times. You must make sure you have the permission of the person who pays the phone bill in your house before you make your call. All revenue generated from the line will be donated to the NSPCC.

If you visit the bus don't forget to tell them STC sent you. Let us know how you get on, if you won any prizes and, hey, why not send us a photograph of you with the bus? We'll print the best ones in STC.

Sonic THE HEDGEHOG

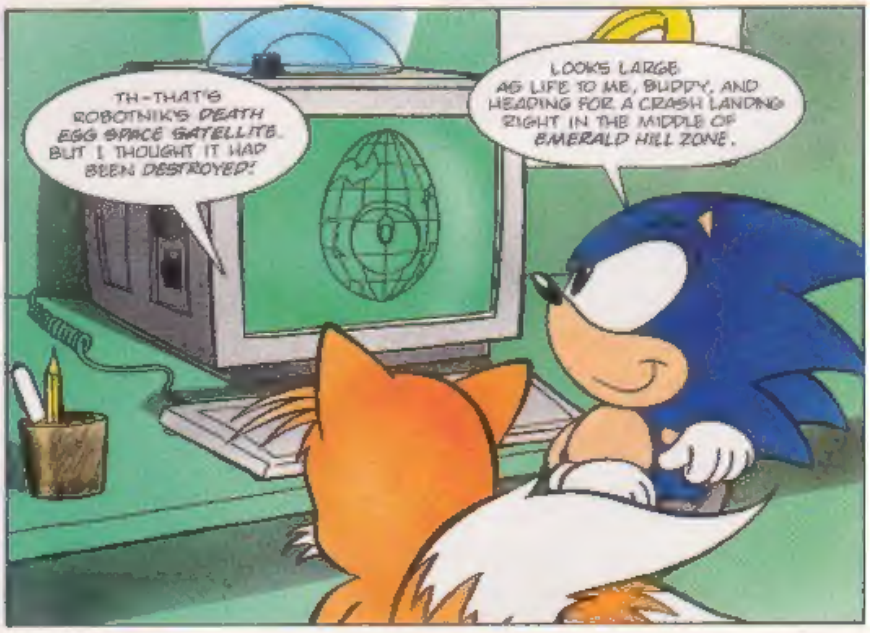
ATTACK ON THE DEATH EGG

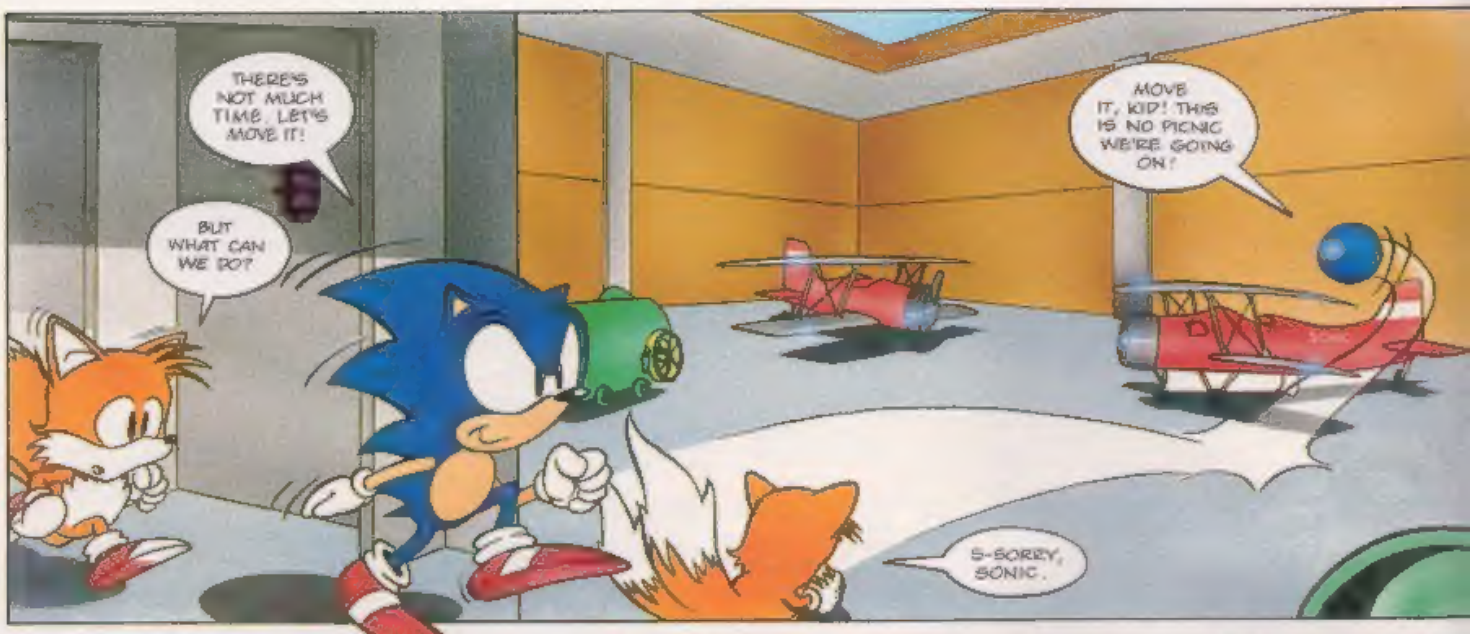
THE UNDERGROUND LABORATORY OF DOCTOR KINTOBOR, NOW THE SECRET HEADQUARTERS OF A CERTAIN BLUE HEDGEHOG....

BUT SONIC, IF KINTOBOR WAS CHANGED INTO ROBOTNIK LIKE YOU SAID, HOWCUM THAT'S HIS FACE? HOWCUM?

I'LL SAY IT JUST ONE MORE TIME, TAILS. THIS IS KINTOBOR'S COMPUTER. THE FACE IS JUST A HOLOGRAM TO MAKE THE DARN THING EASIER TO USE.

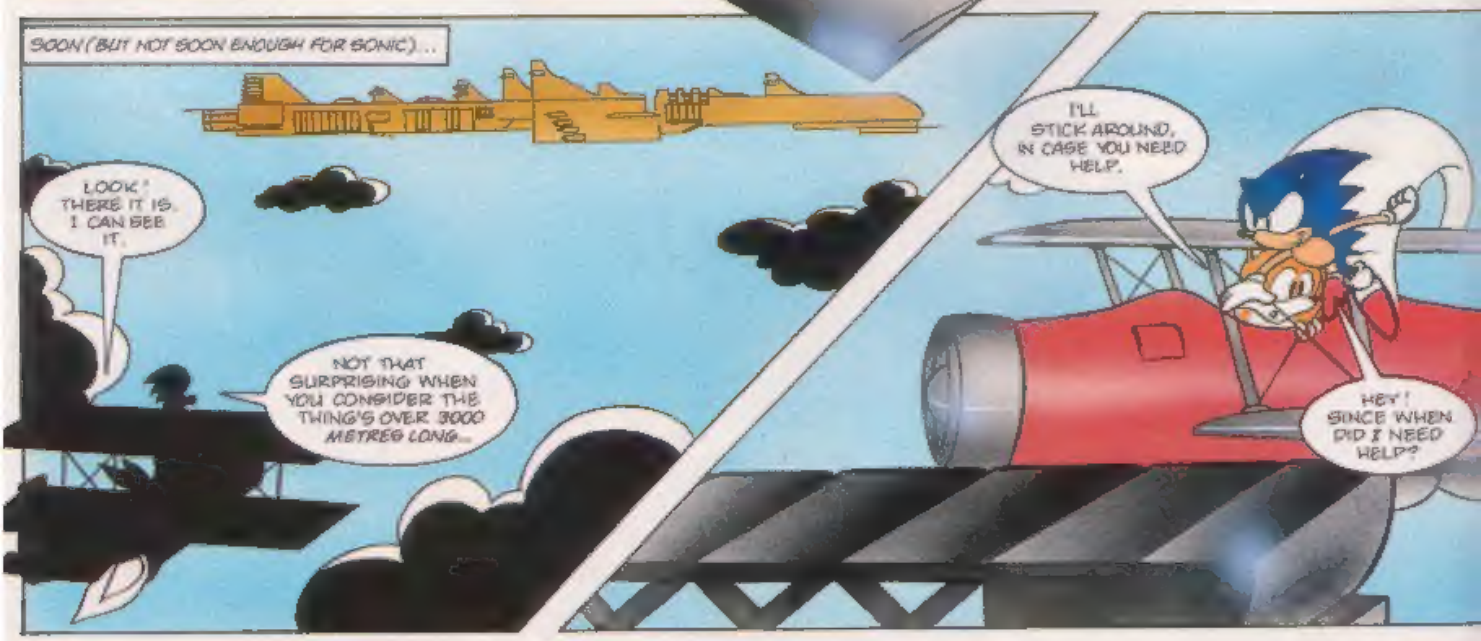
GOT IT?



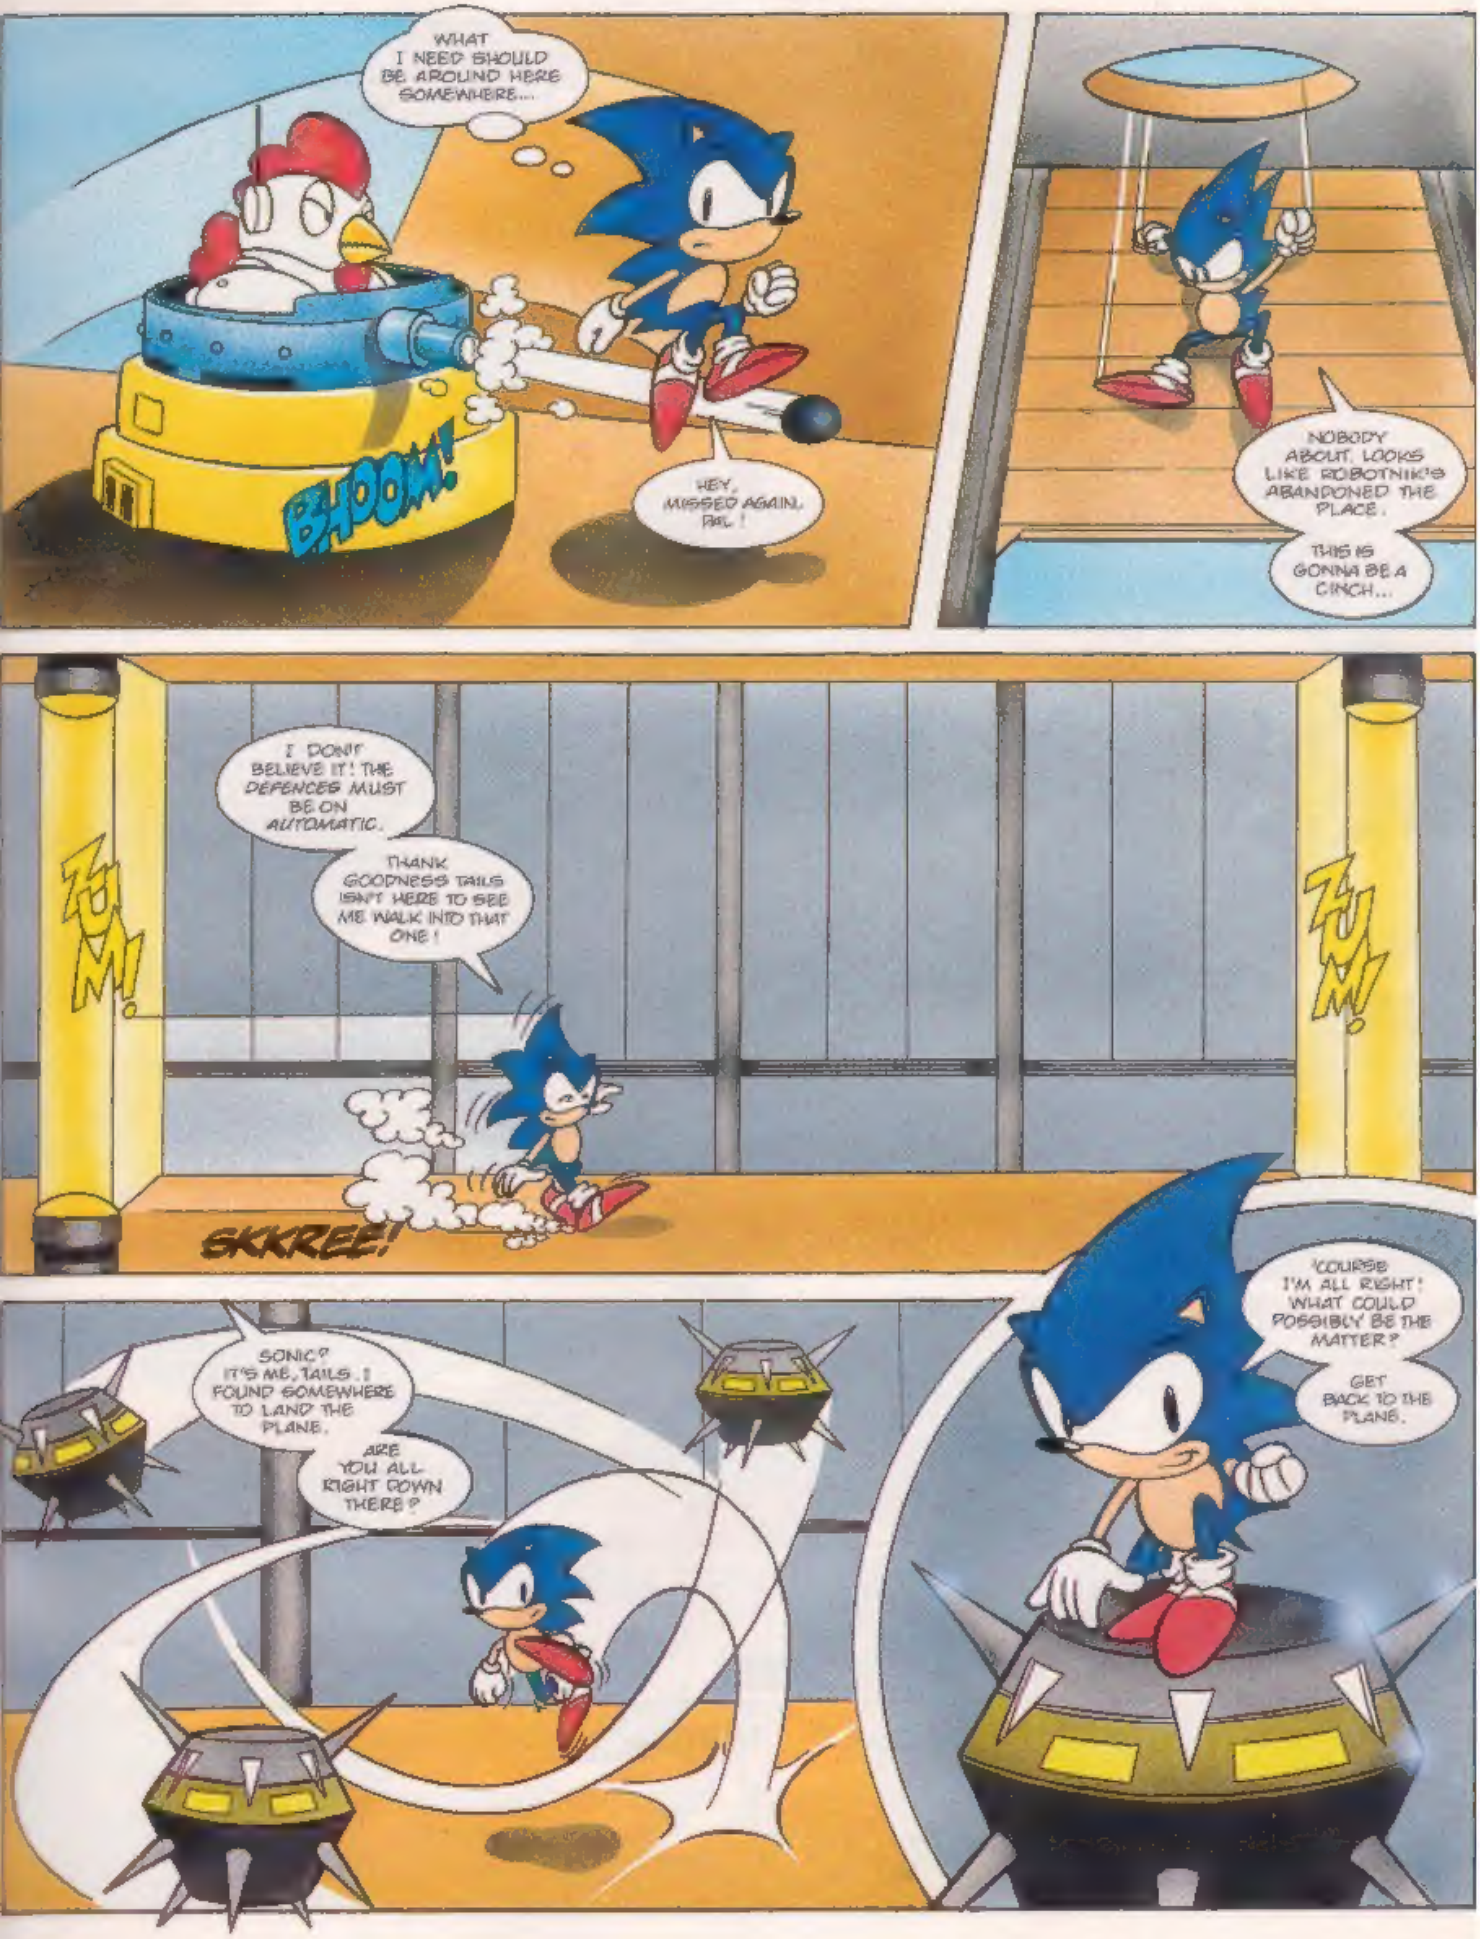


THERE'S NOT MUCH TIME. LET'S MOVE IT!
BUT WHAT CAN WE DO?
MOVE IT, KID! THIS IS NO PICNIC WE'RE GOING ON!
S-SORRY, SONIC.

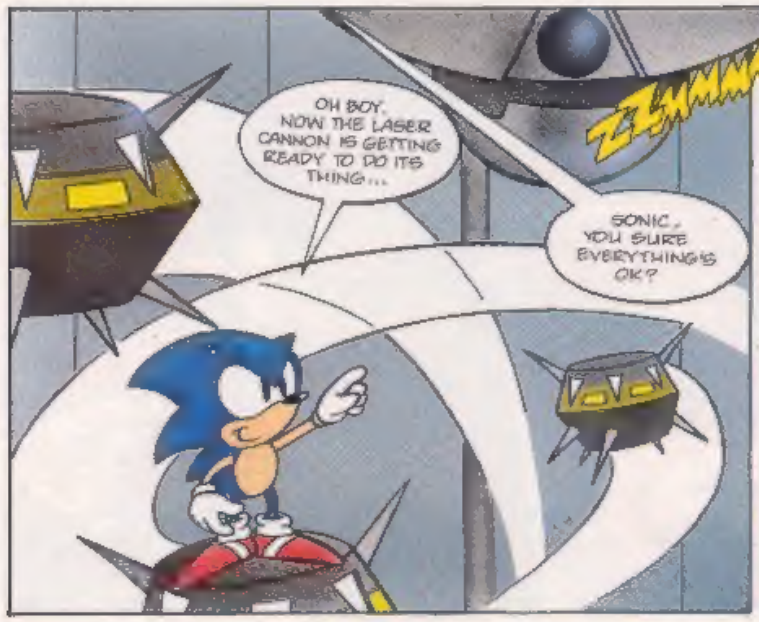
NEXT STOP ROBOTNIK'S WING FORTRESS!
WING FORTRESS? BUT I THOUGHT YOU SAID WE WERE GOING TO...
OH, WHAT'S THE USE?



SOON (BUT NOT SOON ENOUGH FOR SONIC)...
LOOK! THERE IT IS. I CAN SEE IT.
NOT THAT SURPRISING WHEN YOU CONSIDER THE THING'S OVER 3000 METRES LONG...
I'LL STICK AROUND, IN CASE YOU NEED HELP.
HEY! SINCE WHEN DID I NEED HELP?

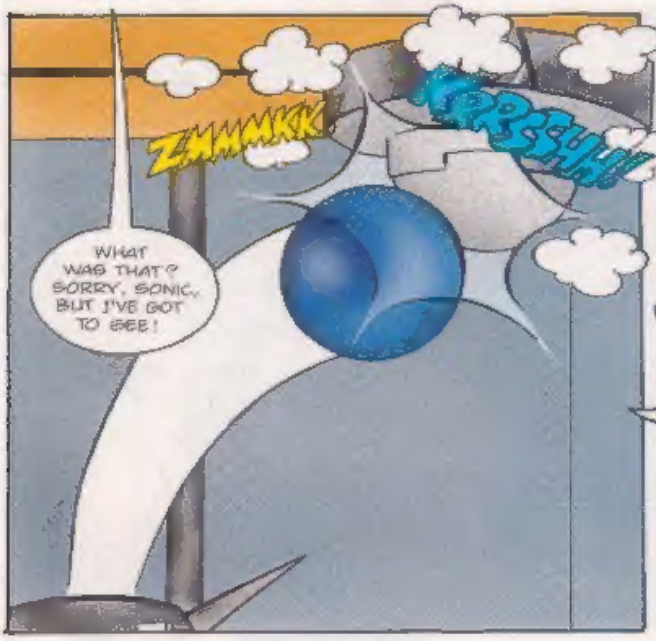


WHAT I NEED SHOULD BE AROUND HERE SOMEWHERE...
BHOOM!
HEY, MISSED AGAIN, PAL!
NOBODY ABOUT. LOOKS LIKE ROBOTNIK'S ABANDONED THE PLACE.
THIS IS GONNA BE A CINCH...
I DON'T BELIEVE IT! THE DEFENCES MUST BE ON AUTOMATIC.
THANK GOODNESS TAILS ISN'T HERE TO SEE ME WALK INTO THAT ONE!
ZUM!
ZUM!
SKKREE!
SONIC? IT'S ME, TAILS. I FOUND SOMEWHERE TO LAND THE PLANE.
ARE YOU ALL RIGHT DOWN THERE?
COURSE I'M ALL RIGHT! WHAT COULD POSSIBLY BE THE MATTER?
GET BACK TO THE PLANE.

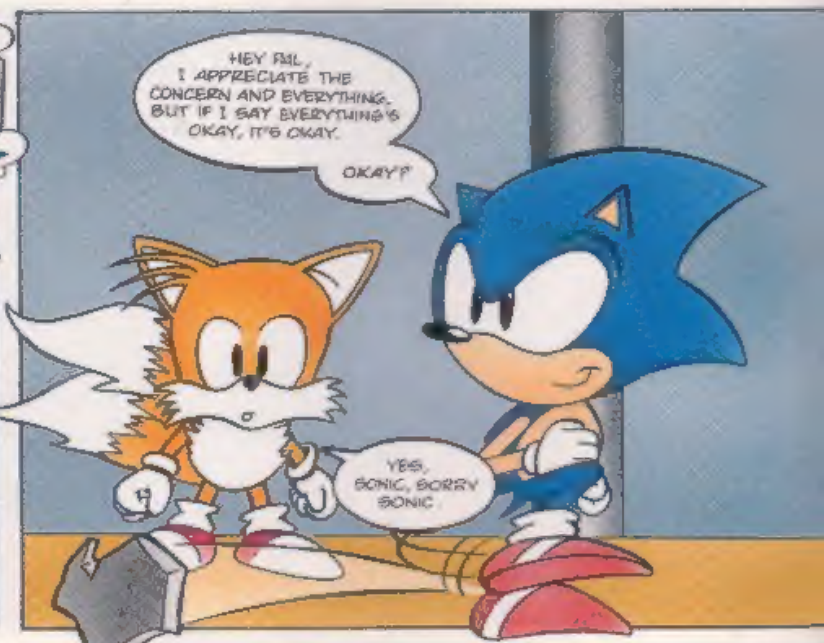


OH BOY. NOW THE LASER CANNON IS GETTING READY TO DO ITS THING...
ZZZMMMMM!
SONIC, YOU SURE EVERYTHING'S OK?

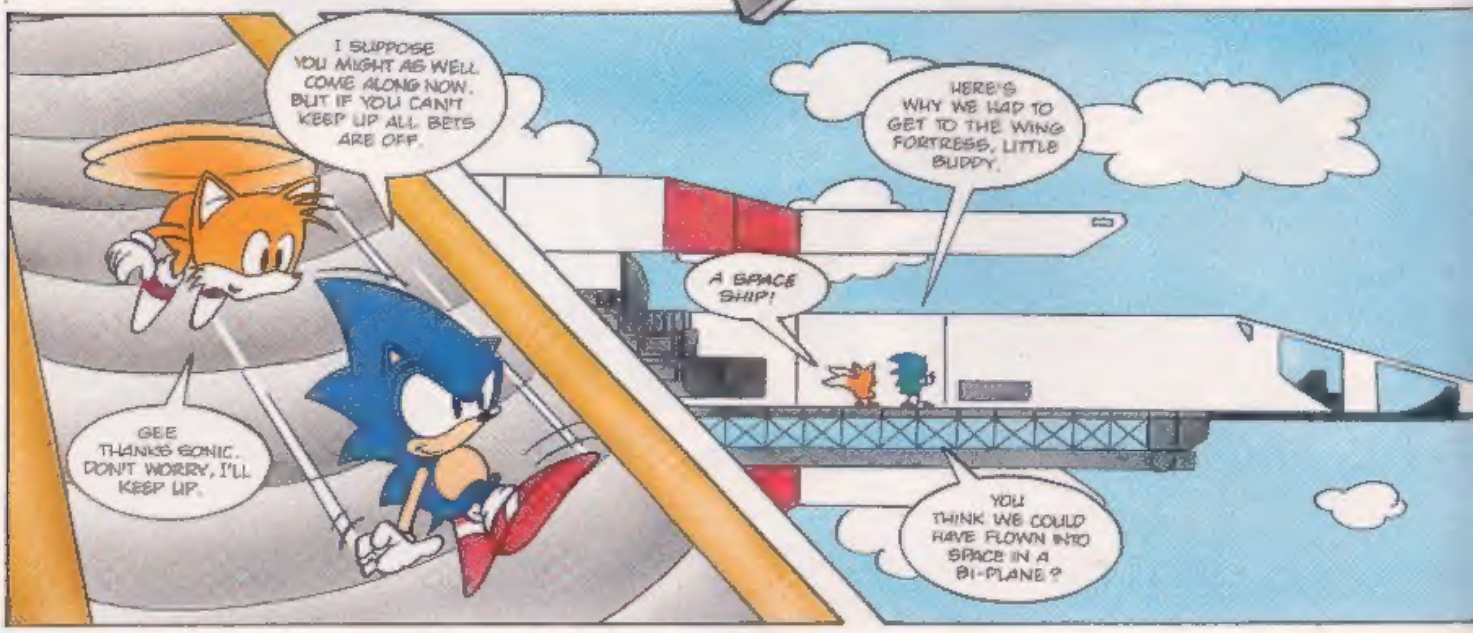
I'VE SAID, HAVEN'T I? NOW BEAT IT!
IT'S ABOUT TO FIRE, I'VE ONLY GOT ONE CHANCE...



ZMMMKK
KRRSSHH!
WHAT WAS THAT? SORRY, SONIC, BUT I'VE GOT TO SEE!



HEY PAL, I APPRECIATE THE CONCERN AND EVERYTHING. BUT IF I SAY EVERYTHING'S OKAY, IT'S OKAY.
OKAY?
YES, SONIC, SORRY SONIC.



I SUPPOSE YOU MIGHT AS WELL COME ALONG NOW. BUT IF YOU CAN'T KEEP UP ALL BETS ARE OFF.
GEE THANKS SONIC. DON'T WORRY, I'LL KEEP UP.
HERE'S WHY WE HAD TO GET TO THE WING FORTRESS, LITTLE BUDDY.
A SPACE SHIP!
YOU THINK WE COULD HAVE FLOWN INTO SPACE IN A BI-PLANE?

SPACE, HERE WE COME! OOW!? I FEEL SICK, SONIC!
MOMENTS LATER, IN HIGH ORBIT...
WOW! THE DEATH EGG!
SO HOW ARE YOU GOING TO STOP THIS THING CRASHING IN THE EMERALD HILL ZONE?
I DON'T KNOW YET BUT SOMETHING'S BOUND TO OCCUR TO ME.
TAILS, WHAT IS IT WITH YOU AND STATING THE BLATANTLY OBVIOUS?
STAND BY FOR DOCKING.
INTRUDERS YOU MAY NOT PASS, BY ORDER OF THE OMNIPOTENT DOCTOR ROBOTNIK.
WHAT IS THAT?
THAT'S SUPPOSED TO BE ME! SAD, ISN'T IT?

I THOUGHT I'D THRASHED HIM LAST TIME I WAS HERE.*
THIS TIME...
* SEE THE SONIC THE HEDGEHOG GAME 2 - MEGADROID.
I'LL DO A BETTER JOB.
KOPANG!
OKAY, GET OUT OF THAT, "IRONSIDES"!
SONIC...
...I THINK TIME'S RUNNING OUT!
I'LL HAVE TO STEER THIS THING AWAY FROM THE EMERALD HILL ZONE MANUALLY.
TAILS, USE THE ESCAPE POD!
NOW, TAILS!
BUT SONIC, THERE'S ONLY ONE!...

KRSSHHH!

SONIC!

OH NO! NOT EVEN SONIC COULD ESCAPE FROM A CRASH LIKE THAT...

HE GAVE HIS LIFE SO THAT THE EMERALD HILL FOLK MIGHT LIVE.

HE WAS THE BRAVEST HEDGEHOG I EVER SOON MET...

NOT TO MENTION THE COOLEST, BLUEST AND FASTEST THING ON LEGS!

SONIC! YOU'RE ALIVE!

AND YOU'RE STILL STATING THE OBVIOUS I SEE.

I SUPPOSE WHEN WE GET BACK EVERYONE WILL INSIST ON MAKING A BIG FUSS OF ME AGAIN - BIG PARTIES, THAT KIND OF THING?

ARE YOU CRAZY? OF COURSE I WANT THEM TO!

NOT IF YOU DON'T WANT THEM TO SONIC.

MORE SONIC MEGA-ACTION NEXT TIME!

MAZIN WARS

game type:
PLATFORM
1 PLAYER
MD

MAZIN WARS, or MAZIN SAGA as it was originally called in Japan, is based around a very famous comic strip.You have to battle against the odds in an effort to rid your world of beastly brutes and pretty mindboggling bosses.

Each stage is made up of distinct sections.There are ordinary left/right scrolling battles. Here you have to hack the enemy with your sword and jump or spin over them. There are goodies to collect in the form energy top-ups. The enemies are varied with really superbly animated slugs, silky smooth droids and smooth Morphs.

These sections are challenging and attractive.You have to fight mini-bosses around halfway through. On level one, for instance, you have to stash the heel of an enormous foot, then battle on and face the really G-i-G boss.This creep is a huge head with a steel fist that slides in from the side of the screen.

Perhaps the most amazing part of this game is the one-on-one sword-slashing boss encounters. Here the view changes and you battle as an enormous character against an equally enormous boss.The graphics and animation are just so smooth, the moves are skilful and your tongue will drool at the action!

There is some variety to the game with forced scrolling sections and some nasty combos to crack.

Overall a very polished game. A Must Buy! - TT.

SEGA WORLD TOURNAMENT GOLF

game type:
SPORTS
1 - 4 PLAYERS
MS

It has been a while since Master System owners had a good golf game to themselves. SEGA WORLD TOURNAMENT Golf is a cracking game with plenty of polish and a different viewpoint from all previous golf games on the Master System.

You can have from up to four players, with options to play in Medal or Championship formats.There is a choice of courses (Country or Links) and you can select 18, 36, 54 or 72 holes to play.

The player options are flexible too with the ability to enter your own name, place the tee, choose from three other clubs and set the difficulty level (novice, amateur or pro).

When playing the game you are given a top-down view of the course and a cursor indicates the line of shot. Club, tee, wind direction and ball trajectory are all shown with icons and graphic boxes.You can view the hole by scrolling the course, or view the overall course map at any time.

To play a shot you have to set the strength of shot and then the snap, or break. Both are triggered by pressing a button as a gauge rises and falls.

Overall this is a challenging simulation and with two courses is not a game that will be cracked too quickly. It looks good, plays well, although the sound is average at best. - TT.

You can't convince me that sports games aren't the fiendish invention of joystick manufacturers. What better way to destroy a perfectly good joystick than by hitting it repeatedly to get some on-screen athlete moving? Then, of course, there's no choice but to buy a new one.

Summer Challenge at least gives the poor, beleaguered joypad a breather. This Olympic-style sports sim offers not only the traditional button-pounding track and field events like 400M Hurdles, Pole Vault, High Jump and Javelin but also a range of non-stadium events such as Cycling, Archery, Kayaking and even Equestrian. These require a somewhat more 'leisurely' use of the controller.

Up to 10 players can take part in all eight events, or you can play against defined International champions. The game offers a training mode for all events before you head into competition in the tournament mode. There's also a very useful instant replay facility.

Graphics and animation in Summer Challenge are very good. The screen for each event consists of a window showing the competitor in action plus a window giving a map view of the course. However, the back-view viewpoint of competitors doesn't help when it comes to sports where distance has to be judged.

The game is packaged well with a comprehensive manual and separate, useful booklet listing controls for all the events.

In a competitive field of sports games on the Mega Drive Summer Challenge comes high in the rankings but doesn't quite get the gold medal. Good for summer playing, though. RB

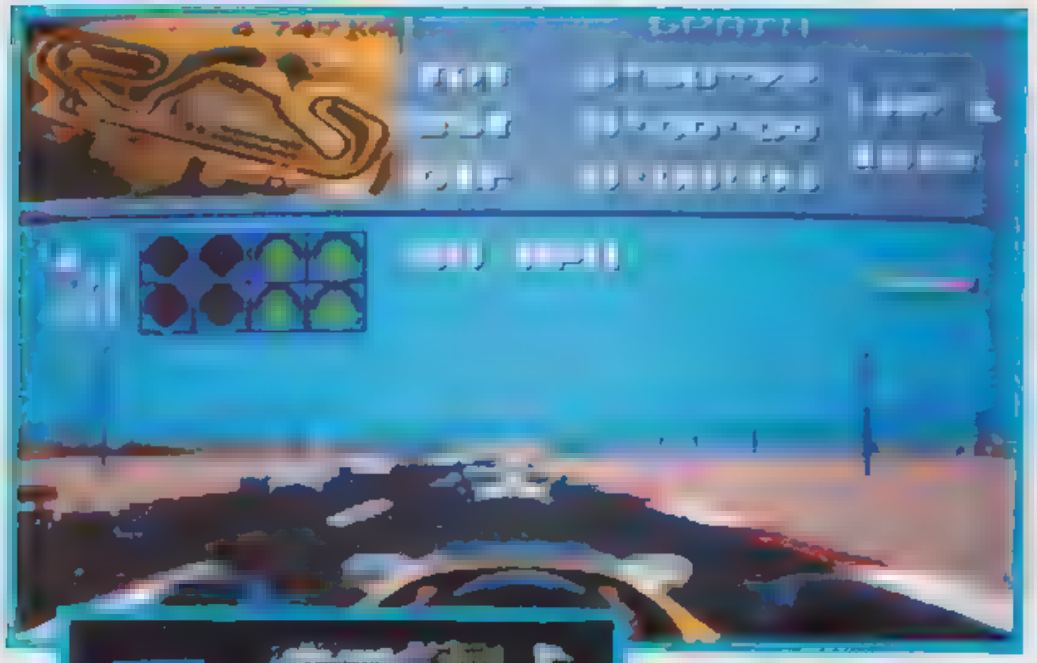
Formula for Success



Race the world's [illegible] MD version

Domark goes for pole position

Formula 1 motor racing roars onto the Mega Drive with F1, the new release from Domark.

This 8-Megabit cart will allow players to explore all the world's major circuits and race with top drivers and teams in this, the first motor racing game officially approved by the FIA Formula One World Championship, the ruling body of the sport.

F1, according to Domark, will boast a 'Turbo mode that makes it the fastest motor racing game yet'. In addition there will be realistic engine sounds in four-channel stereo, individual driver personalities and driving styles, pit stops for tyre changes and car set-ups and a whole raft of other features. Battery back-up is provided for any races called off on account of dinner being ready!

F1 is a major release across all the Sega systems with Mega Drive (£44.99) and Master System (£29.99) versions due out at the end of August and the Game Gear version (£24.99) out about a month later.

Master System and Game Gear versions on the way

Frustrated owners of Sega 8-bit systems who have watched as the mega-hit Desert Strike stormed across the 16-bit systems now it's your chance to cheer Domark's in-house programming team. The Kremlin have pulled off a major coup by converting this superb game to the Master System and Game Gear

The action classic in which you pilot an advanced attack helicopter through four gruelling campaigns in a bid to defeat an evil middle east dictator has sold almost a million copies across other computer and video game systems It was Electronic Arts most successful Mega Drive title ever and has recently spawned a sequel, Jungle Strike

Desert Strike for the Master System and Game Gear is due for release by Domark in September Prices have yet to be confirmed though should be about average for MS and GG games

Q Zone Q&A special

Welcome to Q Zone's first Q&A Special! So many of you have been writing to STC asking for help, cheats and tips with games that STC Game Guru David Gibbon has gone into overdrive to answer your questions. Here's the first of, hopefully, many Q&A Specials.

Mega Drive

GHOSTBUSTERS

Q I have been struggling on the last level of Ghostbusters on the Mega Drive. Please could you print a cheat to help me?
ANDREW REILLY, BURY, LANCASHIRE

A Sorry to hear you have been having problems with this spooky game, Andrew. You must be pretty good to get to the last level. I have a money cheat which allows you to boost your cash to over $1m enabling you to buy everything.

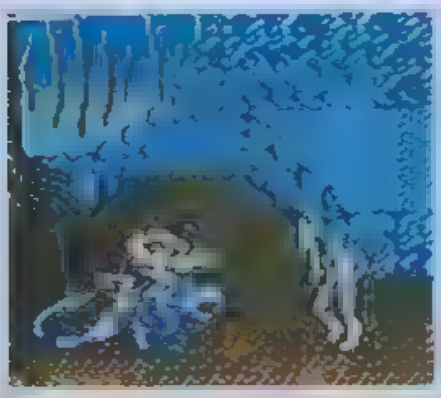
Next time you play the game and enter your account number. Alter the last two digits by increasing one and decreasing the other.

GOLDEN AXE

Q I have tried the levels select cheat from STC issue 1 for Golden Axe on the Mega Drive but I can't make it work. What am I doing wrong?
ADAM RICHMOND, BARRY, SOUTH GLAMORGAN.

A I cannot understand why it is not working for you Adam. I have tried the cheat and it does work, however. I have found another way of getting a level select for this game.

When selecting a player hold down Right/Down diagonal together with the B button and Start. You will now have a level select.



CASTLE OF ILLUSION

Q Do you know of any cheats for Castle Of Illusion on the Mega Drive?
MICHAEL MANDSLEY, SOUTHPORT, MERSEYSIDE AND KATE LOWE, LEIGH, LANCASHIRE

A After going through my vast array of cheats, I finally came across one for this game which will give you loads of lives.

When you are on the screen between levels keep pressing Start as the points are being added to your score. This will give you extra lives.

CHUCKUM

Q I am having great problems with Chuckum the Forever Man on the Mega Drive. Do you have any cheats for this game?
ANDREW PLANT, RUSH HEATH, SOLIHULL.

A I can give you a number of tips, tricks and hints to help you in your quest. I have also come up with a great level skip cheat:

LEVEL SKIP
First select the practice mode and start the game. Now, move Chuckum onto the small platform which is just top right of the Sky Portal. Press Start, then select and use the passage spell. You should now have skipped 12 levels and acquired all of the weapons available. This will make completing the game much easier.

DEADLY MOVES!
While rolling in the air, jump again and you will roll a second time which will enable you to travel much further and higher. Use the Spin Attack at the same time to produce a deadly move!

COLLECTING THE POTIONS
When entering a new level start by collecting all the potions. Now, destroy yourself without finishing and re-do the level again including picking up the the potions. This way if you are about to enter a very tough level or meet a nasty guardian you can go in with loads of potions. Be warned that the Clear-Air potion will only appear once.

BOSSES TOO TOUGH?
If you are having problems defeating the bosses the best way is to use the Runway magic potion. This way you restart the battle with loads of time and power.

SUPER HANG-ON

Q Please could you give us some passwords or cheats for the motorbike racer, Super Hang-On on the Mega Drive?
IAN MOORE (NO ADDRESS), AND JAMAID ALI, PRESTON.

A This is quite an old game but one that is still causing a lot of headaches. Here are several cheats which should be entered as passwords:

To get plenty of cash enter:
51B04000A0500
70J0CG976ACMGI

Also enter these codes for each level which should really help you to complete the game

LEVEL	PASSWORD
1	1FF3C54GF30504 9FKLJ7EMBAJFPP
2	10530546F30504 DC05LHIMFAFD5P
3	1DF3A546F30524 FCGJEMIMCFMQTN

To see the end sequence enter:
5FF3F546F35564
FF05LPIMFIQMK5

CHUCK ROCK

Q I've just received a Mega Drive including six games, one of which is Chuck Rock. Do you have any cheats for the game?
LEE CROSSLEY, POTTON, BEDFORD.

A Indeed, my friend. I do have a cheat for Chuck Rock. There is a level select which should help you get through those difficult parts of the game.

When the title screen appears, using the D-Pad spell out the word ABRACADABRA (Tip: Use right and down on the D-pad to get the letters R and D). If all went well Chuck Rock should wink at you showing the cheat is activated. To start it up, pause the game and move up, down, left and right to move to different levels.

Master System

STRIDER

Q My friend tells me there is a cheat for Strider on the Mega Drive giving a level select: press Down, Down and buttons A, C, B, C, A and Start when the master is laughing. I have tried it but it does not work, please could you print the real version?
ROBERT POWELL, AVELEY, ESSEX.

A Your friend is nearly correct but the cheat is activated in a slightly different way. Try this:

When the master laughs, just before the beginning of the game, hold Down and press buttons A, C, B, C and A on the joypad to get a level select.

TOKI/SUPER THUNDERBLADE

Q Do you know of and cheats for Toki and Super Thunder Blade on the Mega Drive?
KEVIN SELLWOOD, REDRATH, CORNWALL

A You're in luck, Kevin. I have two great cheats for Super Thunderblade, one gives you 30 lives and the other is a level select. Unfortunately, the only cheats I could find for Toki are for the Game Genie so if you don't own one yet you will have to wait.

SUPER THUNDERBLADE
Pressing buttons A, B, C and Start simultaneously on the title screen will give you 30 lives.

For the level select, press A, Up, Down, Left, Right, Right, Left, Down, Up and finally Up and Start together. It's a bit long but it works a treat!

STREETS OF RAGE 2

Q My favourite game is currently Streets Of Rage 2 on the Mega Drive. Do you have a cheat for infinite lives?
ANDREW HEATON, WORSLEY MESNES, WIGAN.

A Unfortunately Andrew, there is no cheat for infinite lives on this game. However I do have a level select cheat which allows you to start with up to nine lives:

Plug your joypad into port 1. Press Start and move the cursor down to the options. Now plug your joypad into port 2 and hold down A and B then press Start. Keep A and B held out till the option menu appears.

It will allow you to play with up to 9 lives and on any level.

SONIC THE HEDGEHOG 2

Q I am stuck on the Casino Night Zone in Sonic 2 on the Mega Drive. I keep getting killed by Dr Robotnik, do you have any tips you could give me?
JAMES LOWE, LIVERPOOL.

A It's really sad to hear from people who keep on getting hurt by Robotnik. They ought to lock him up throw away the key!

To kill the evil Dr R, start by hitting his ship from the sides but make sure you avoid the electric pulses by running up the side of the wall and spinning into Robotnik. Then jump onto the middle platform in the centre of the screen, then jump up and hit him several times and get back on the platform. Repeat this procedure and he will be no more!

THE NINJA

Q I would like to know where the 5th secret scroll is in The Ninja on the Master System, know there are scrolls in levels 1, 6, 8 and 9. Where is the other?
MARTIN MCGUILE, CO TYRONE, NORTHERN ISLAND

A Ahh, that last scroll is a bit that is stopping you from becoming a Ninja Master. Well guess what? I am going to let you where it is at.

It's easy really. Get onto level 4 and go to the bottom of the statue. Shoot it 5 times and the scroll will be yours.

SPEEDBALL

Q I have Speedball 2 on the Master System but I can't get into Division One. Can you give me the code please?
MICHAEL JUDSON, PENRITH, CUMBRIA.

A Having trouble getting into the top eh? Well since you buy the comic I will help you. Just try the following.

LCL! CWAF OGXE ya3q 2bst s1 gGVC

ALEX KIDD IN HIGH TECH WORLD

Q I received a Master System some time ago and I have Alex Kidd in High Tech World. Can you give me any help for this game?
STEVEN JACKSON, WOKING, SURREY, DURHAM

A I have come up with some help, Steven, which I hope will be of help to you. I have a level code below for you.

Entering 01AdGSCPVd to start playing from The Forest section of the game.

Once you are past the Forest try praying to the Gods in the Temple 100 times. This should take you to the final wooded area.

Keep these questions and queries coming in to the Q Zone, Boomers. Help is always at hand.

SPEEDLINES

Dash off a letter, draw a quick sketch. In short, let Megadroid know what you like (or loathe!) about STC.

Send your letters and drawings to:
Speedlines, Sonic The Comic,
25/31 Tavistock Place, London WC1H 9SU.

Write your name, address and Sega system (MD, MCD, MS or GG) clearly. Remember, every letter and drawing printed wins a Segasational prize!

Give Tails A Spin

Dear STC,

Why doesn't Tails have his own comic strip? He could be looking after Parker Lewis and his friends while Sonic is on a long-deserved, Robotnik-free holiday. Tails could get into trouble or he could have lots of fun, fun, fun! Give it a try.

STEPHEN HARPER, LUTON, BEDS. SONIC BADGE WINNER.

What do you think, Tails fans? Should young Miles Prowler get his own strip in STC? Write to Speedlines and cast your vote.

Andrew John Noland, Redditch, Worcs. MD owner. Sonic badge winner.

Problem Mum

Dear STC,

My Mum takes playing on my Master System too seriously. The other day she got further on ALEX KIDD than she's ever got before. I told her to hit something and when she did she got killed. Then she shouted at me for losing her last life.

Please print this as it might knock some sense into her. She is a Sega freak.

CHRISTINE LANGLEY, CHELTENHAM, GLOS. MS OWNER. SONIC BADGE WINNER.

I don't know, Christine. These adults are pretty much hopeless cases when they discover the wonders of Sega games. If I were you I'd ration her time on your MS and stay well clear when she's playing!

Mega CD Certified?

Dear STC,

Is it true that on the Mega CD there is an age limit on the games you can buy?

MISS L A RICHARDSON, HEXHAM, NORTHUMBERLAND. SONIC BADGE WINNER.

So far there is only one Mega CD game, NIGHT TRAP, that has received a 15 certificate, which means you have to be 15 or over to buy it. However, this is a special case. All other Mega CD titles can be bought by Boomers of any age.

Picture-Less

Dear STC,

Your comic's brilliant. I've bought every copy since issue 1. I even sent you a letter and a picture but you never printed it. Why? I thought the picture was quite good.

JONATHAN WALSH, STOCKPORT, CHES. MD OWNER. SONIC BADGE WINNER.

Sorry, Jonathan - and everyone else who has sent in brilliant pictures - but receive so many letters and drawings each day (hundreds!) that we just haven't the room to print them all. I wish we could, they're fab. However, we do print as many of the best ones as we can.

Jody Jordan, Kelvya Garden City, Herts. MS owner. Sonic badge winner

I Caught the Bus

Dear STC,

Thank you for printing the dates for the Sega Bus. I went to see it in Sunderland and won a T-shirt for the highest score. I love the comic.

CHRISTOPHER YOUNGER, LYNEMOUTH, NORTHUMBERLAND. MD OWNER. SONIC BADGE WINNER.

Well done, Christopher. Now you also have a Sonic badge to wear on your T-shirt!

Get Printed + Win a Prize!
